

FIG. 2

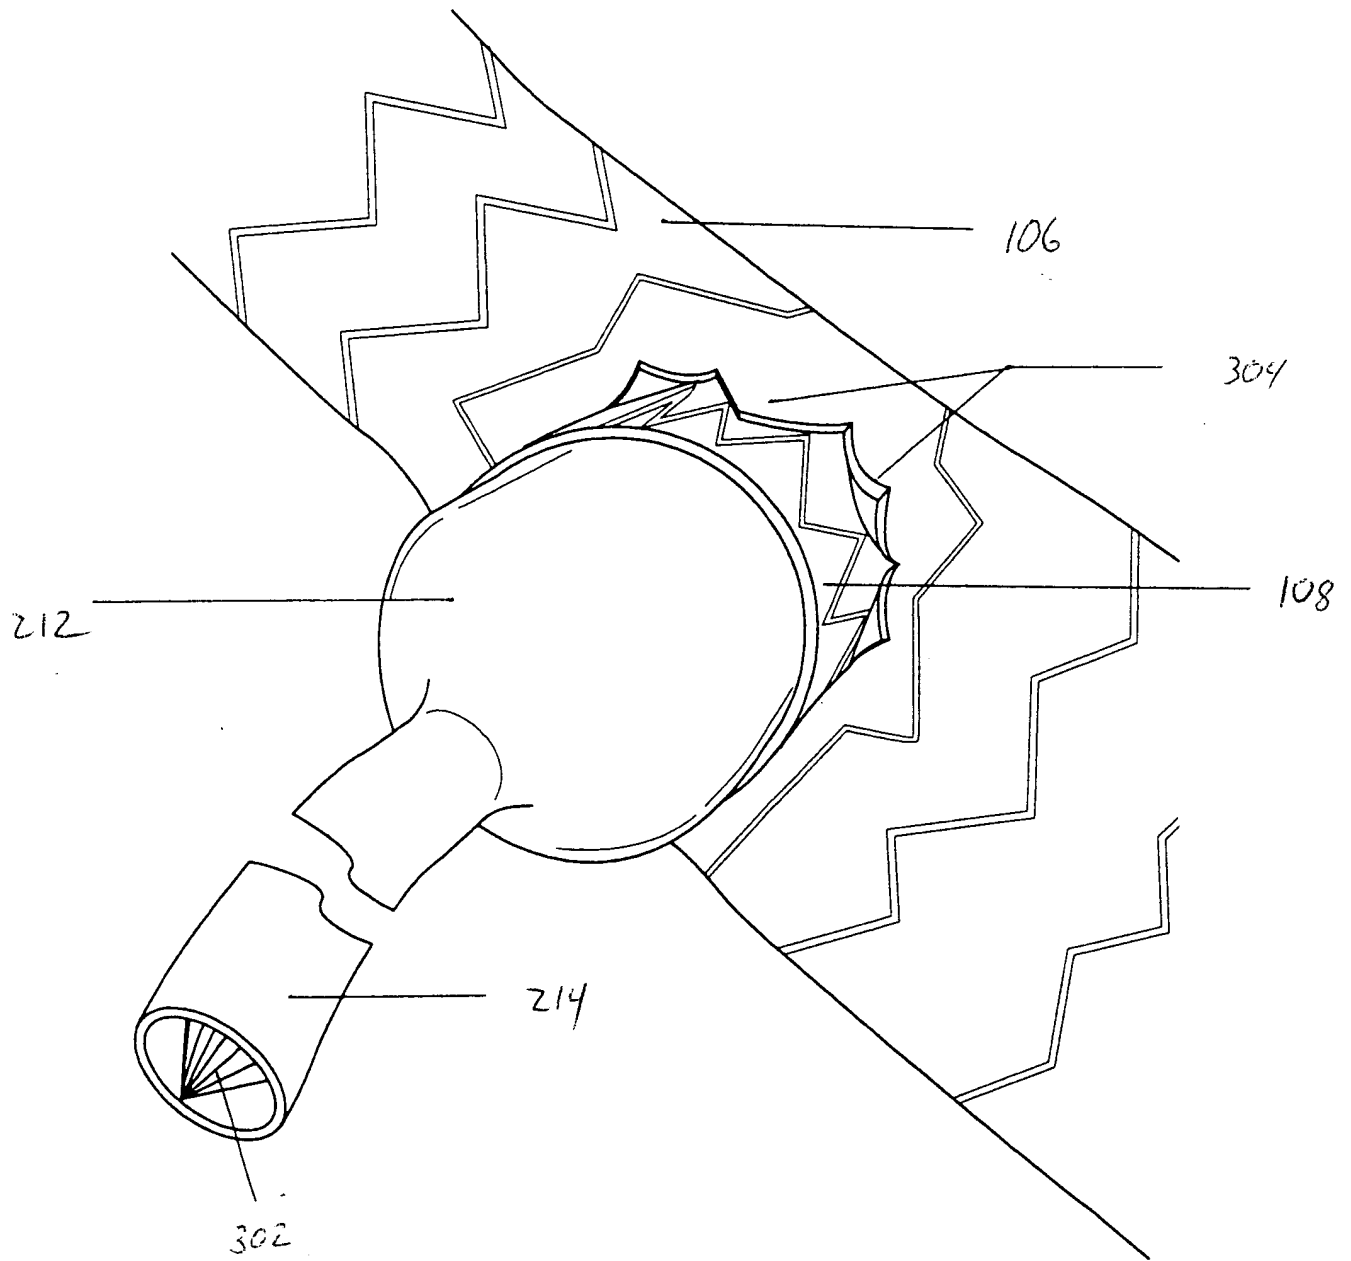

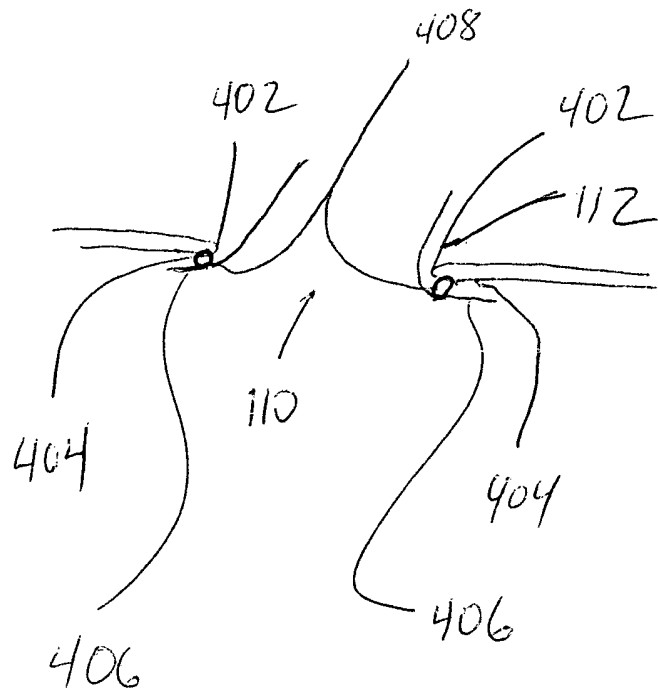

FIG. 3

FIG. 4

This diagram illustrates a cross-section of a medical device, possibly a catheter or a probe. The central shaft (500) features a zigzag internal structure (502) and is surrounded by a sheath (504). A distal tip (506) is shown at the bottom. Various components are labeled with reference numerals: 500 (central shaft), 502 (internal zigzag structure), 504 (outer sheath), 506 (distal tip), 508 (internal channel), 510 (internal structure), 512 (junction), 514 (side port), and 516 (top connection).
